

Notice of Works – Working next door

Thor's Trees

Your Local Trusted Tree Surgeons

Dear Neighbour,

We hope this letter finds you well.

We are writing to inform you we are your neighbour's chosen professional tree care company that will be carrying out various tree surgery works at their property. As part of our comprehensive tree maintenance and care process, we have provided our client this letter to share with you.

During operations, there will be some noise and movement of equipment in the vicinity of your neighbour's property. Thor's Trees are committed to minimising any disruption and ensuring the safety of all nearby residents and properties, although as you can imagine, the nature of our works involves dust, noise and access requirements.

Although we always aim to not let any materials or debris fall into other neighbouring properties/land this is not always possible.

To help us carry out our work efficiently and safely, we kindly ask you to move any vehicles, valuable garden furniture, potted plants, or other items that could potentially be damaged by falling debris or equipment from under or near the tree/trees. Your assistance in ensuring these areas are clear will help us complete our work swiftly whilst avoiding any accidental damage.

We apologise in advance for any inconvenience this may cause and greatly appreciate your cooperation and understanding. Should you have any concerns or questions about the upcoming work, please do not hesitate to contact your dedicated Thor's Trees support team directly on 0208 292 8992 or via email at info@thorstrees.co.uk.

Thank you in advance for your attention on this matter.

Works will be carrying out tree work at:

.....

On [/ /].

The work is expected to start at [:] and conclude by [:]
